## HOW TO BOOK

## A CATERING SERVICE

We look forward to hosting your coming event at the SWISS Foundation for Innovation and Training in Surgery (SFITS).

Our lounge is a spacious, comfortable and luminous area for coffee breaks, lunches and networking activities.

Apart from the conference room on the 7th floor, the lounge is the only place in the SFITS where food and beverage are allowed.

We recommend a **maximum of 60 people** in the lounge, for security and comfort reasons (including SFITS staff).

The lounge is accessible **from Monday to Friday 8AM to 5.30PM**. Please contact us, would you wish to extend the schedules.

Please note that **alcohol is only allowed after 6PM**.

Let us organize your catering service for you!

**1** • Have a look at our catalogue and pick your menus.

**2** • Write an email to **[sfits@sfits.ch](mailto:sfits@sfits.ch)** stating

- Overall number of people (incl. your staff)
- Selected menu with desired options
- Any specificities (allergies, intolerance, diet...)
- Start / end time and dates

Please be sure to send us your request **at least 1 week in advance** (the latest).

**3** • We will invoice you:

- catering services: on what was ordered;
- sodas: on what was consumed.
